Checks can be made out to "Citizen Soldier" write "May March" in the memo section of the check, and sent to Citizen Soldier, 267 Fifth Ave., #901, New York NY 10016

New York State Marches for Peace

Join walkers from Rochester, Ithaca, Syracuse, Utica and other parts of NY State as we walk to Fort Drum, Watertown, NY

**THE WALK MAY 8-17th
THE FT. DRUM SPRING FESTIVAL
MAY 17TH
Watertown, NY**

*Stop the war!
Support our troops, bring them home!*

New York Citizens will be marching across the state to bring support to our Active Duty Soldiers and Iraq Veterans against the war. This march will be an act of rebirthing civic duty and responsibility to defend our Constitution and strengthen our resolve to stop the damage this unjust, illegal, and immoral war is doing to our families, communities, the world and most of all, soldiers.

Join with Veterans, teachers, students, laborers, farmers, children, young and old to call for an end to the war.

As the United States begins the sixth year of the war on Iraq,

- **Over 4,000 U.S. soldiers have been killed and**
- **more than 60,000 wounded.**
- **Over 1 million Iraqis have been killed.**
- **It is estimated up to 4 million Iraqis have been made refugees.**
- **The United States spends \$275 million per day on this war.**

Support the work of active duty soldiers, veterans and the Different Drummer Café in Watertown who are courageously standing up to say this war must end. Ft. Drum deploys more soldiers to Iraq than any other U.S. base.

Walkers will be hosted by communities en route and will have many outreach opportunities. Many of these rural communities through the service of their young men and women have paid a disproportionate cost for the war.

Each evening we will sponsor a program of education by IVAW members along with some relaxing music and/or theater activities. Even if you don't walk you can join us at these events.

On May 17th we will celebrate with soldiers and their families at the **Ft. Drum Spring Festival** in Watertown. Check our website for location and times.
