FORT DRUM, WATERTOWN, NY

The walkers from Rochester and all points west will meet with the local press at 10:00 am at the Anti-War Storefront on 658 Monroe Avenue before beginning their 10 day walk, May 8-17, to Watertown, NY. From the Storefront they will walk to Twelve Corners in Brighton, meet up with others who want to join and from there walk north on Winton Rd. where vans will wait to take them to Empire Boulevard for the first day's walk to Ontario, NY. You are invited to show your support by marching with them to the Twelve Corners and beyond.

Like other New York citizens, Rochesterians will be marching across the state to bring support to our active duty soldiers and Iraq Veterans Against the War. The walkers from the west will meet up with other marchers from the south and east along the route. You are invited to join any part of the walk - for one hour, one day, one week... You can get more information on how to sign up at nysmarchesforpeace.org

Join us as soldiers and citizens working together to end the occupation of Iraq. The welfare of future generations and the preservation of our constitution are at stake.
